

Twenty-One Day Fast: Day Sixteen – August 23

Notes from Bogdon Olechnowicz by Missy Evans

As Bogdon Olechnowicz completed his final message to us on Sunday night, August 1st, He shared prophetically with us what he sensed about the season we are in as a church family. He also spoke to God's unique calling on us. May we take courage as we reflect on the blessing he bestowed on us under the inspiration of the Holy Spirit!

God is calling us to rest in His presence. To be gracious with one another and allow patience to have it's perfect work in us.

He will not abandon this people! St. Giles is special to his heart because of their pure devotion to Him. He sees the great respect you have for His work and the love you have for Him. St. Giles is a corporate picture of Mary of Bethany and this is what He treasures. You are a "beloved one". He will pour out His grace as you seek to be a lover of Him.

Fix your eyes on Him not on any other ministry. Seek the unique and special way that He is leading us. St. Giles has a place in the body of Christ, in this city and in the nation. There is much spiritual struggle over this place because you have much to give to this city.

Search for one, but remember that it is all about God. He wants to be our king! Man is not our solution. God will take care of you. There are many men among you that we should draw from that have big hearts. We need someone from God, not just a man.

He prayed for:

- Deliverance from confusion.
- Boldness to find out what is on God's heart.
- Patience and discernment at the crossroads.
- That we would fulfill God's will for us.
- That God would bless and strengthen us.
- That we would be marked by unbreakable unity.

Prayer point: Matt 26:13 -Jesus speaking of Mary of Bethany after she anointed Him, "Assuredly, I say to you, wherever this gospel is preached in the whole world, what this woman has done will also be told as a memorial to her." Pray that St. Giles will be memorialized by the deepest devotion to Him!
